JOBS

Web Development
Greenzay, Gujranwala
May 2021 - Jul 2021

I worked for this company as a web developer for about two months. I worked on many things as a web developer, such as creating WordPress landing pages with Elementor, page design, website SEO, etc.

INTERNSHIPS

Graphic Design
Xeenex Tech, Gujranwala
Mar 2022 - Apr 2022

Along with web development I am also an expert graphic designer. I have been able to achieve excellence in various areas of creation of designs

WordPress Development
Arena House, Gujranwala
Sep 2021 - Oct 2022

After becoming an expert in web development, I turned to internships to hone my skills. I did a one month internship in this company as wordpress development, Where I do much more work and know deep knowledge about WordPress

POSITIONS OF
RESPONSIBILITY

Creative and open to new ideas.Adaptable and willing to learn new techniques. Excellent communication skills. I enjoy taking complex problems and turning them into a beautiful and simple interface

TRAININGS

Web Development
PUNJAB UNIVERSITY, Gujranwala
Oct 2021 - Nov 2022

In training, I learned about Html, and CSS. But they train me in wordpress.Now I am a professional WordPress developer. I created many types of sites. In my training, I know about SEO and know that I can rank the site using Yoast SEO.
Also implementing plugins and various tools.
